Queen Elizabeth School is an amazing
place to learn and grow!

Queen Elizabeth School is proud to serve the West Hillhurst community as a Kindergarten to Grade 6 school. At QES, our Wolfpack is built on a strong sense of belonging. We are a safe, welcoming, and inclusive learning community where every child is known, supported, and encouraged to grow.

We would love to share how kindergarten is the exciting first step in your child's journey as part of the QES Wolfpack!

Join us at our Open House to learn more about our engaging, place based, curriculum-rich kindergarten program. You will have the chance to meet some of our wonderful teachers, explore our learning spaces, and discover how children learn, play, and thrive in our classrooms. We will also share helpful tips and ideas to support a smooth and confident start to kindergarten for your child.

We look forward to welcoming you and your future Wolf to Queen Elizabeth School!
