What did you like most about this meeting?

Transparency of where the money is going and how they are working towards meeting students learning needs

Understanding where the funding go in a detailed breakdown.

Info about budget

Learning about the budget and how students who are struggling are supported.

It's explained with problem solving, like math-up.

I liked the explanation of the school budget. It was good for the parents who aren't on council to know how much money the school gets.

The detailed and transparency of information provided.

Knowing how much it costs to run a school

It's interesting to learn a bit about how the school system works.

Very informative, good high level synopsis re: planning and budget (first time attendee to one of these meetings)

All the transparency

It was helpful to learn more about the budgeting and planning that goes into the school focus areas.

What did you like least about this meeting?

Nothing.

Slideshow

Nothing

N/A

Sad to know it's such a fine line if something were needed or goes wrong.

It's not a simple system to understand, so really absorbing the info would require me to understand the system far better

Nothing

There was a lot of information to take in and having some info in advance to review in more depth would be helpful.
